Parade of Tables

The Parade of Tables is annual fellowship event that brings our church family and community together for an afternoon of fun and food! This year, it will be afternoon tea held on Saturday, September 28 from 2:00pm-4:00pm. The theme this year will be "He's Got the Whole World in His Hands," and each table will be decorated to represent different countries. Along with live entertainment, there will be an opportunity to vote for your favorite table!

If you would like to help with decorating a table, you can sign up in the Narthex at the Parade of Tables display. Tickets will be available in the near future.

Table Returns this Fall!

Table is an opportunity to share a meal with friends old and new. The Mullaney family hosts these monthly meals at their home for 10 adults (and their children). The Mullaney's provide the main dish and guests bring sides, drinks, or dessert. These gatherings serve as great opportunities to bring together a diverse group of people for food and fellowship.

Look for sign up sheets in the Narthex in August and September.

The Retired Mountaineers have moved to Monte Sano Baptist Church for the Summer and Fall! The Mountaineers will return to MSUMC next year.

Monte Sano United Methodist Church welcomes ALL to grow in love and faith through Christ.

Charge Conference: Sunday, July 21 at 4:00pm

A called Charge Conference is scheduled for July 21, 2019 for the purpose of voting on whether or not to sell the church parsonage. All members in good standing are allowed to vote at Charge Conference. For more details, see page 2.

From the Pastor: A Vision for the Future

We all have dreams of what our future will look like. We also need dreams of what the church will look like in the future! In these summer months, I am asking you to join me in dreaming of what the future of Monte Sano United Methodist Church will look like. We have developed a working mission statement: "Monte Sano United Methodist Church welcomes ALL to grow in love and faith through Christ." Now, the work begins of dreaming of what the church will look like if we live FULLY into that mission.

Our entire church family (members, non-members, regular attenders, children, youth, and all others) are invited to join us for one of the three visioning gatherings that will be convened over the next several weeks. I invite you to choose one of the dates below to share your thoughts and dreams for the future! The dates and times of these gatherings will be:

Sunday, July 14 at 4:00pm

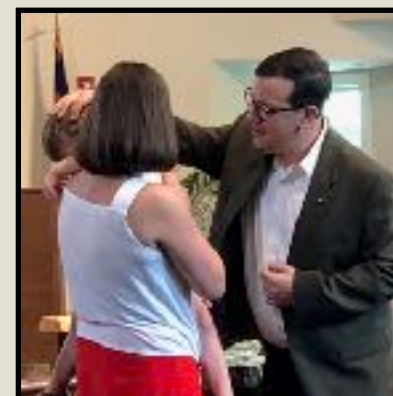

Sunday, July 28 at 4:00pm

Sunday, August 11 at 4:00pm

The results of these gatherings will be used to help develop our vision for the next 5 to 10 years, as well as some immediate goals for us in the short term. We need everyone to participate in this effort—your voice matters! From the youngest child to our eldest member, from our newest guest to a founding member, we cannot develop this vision without you.

I hope to see each of you at one of these gatherings! Thank you for your continued commitment to Christ and his church.

The Baptisms of John Brian and Elijah Samuel Bartlett Sons of Mary Beth and Brian Bartlett

Church Council Discussions & Decisions

The United Methodist Church's structure of lay leadership is committee-based. This means that decisions are made for the church by leadership in various committees within the life of the church, such as the Finance Committee, Trustees Committee, and Pastor-Parish Relations Committee to name a few.

Each of the committee chairs is also a member of the Church Council. Church Council is often a time in which the decisions of committees are reported and shared with the larger church, but this council also serves as the decision making body for issues that extend beyond the scope of the individual committees and impact the whole church.

On May 19th, the Church Council met to consider two proposals:

1. The Trustees Committee submitted a proposal to sell the church parsonage (3918 Cooper Street). This proposal, if approved, would move to a church-wide Charge Conference.
2. The Trustees Committee submitted a proposal from the Valley Leadership Academy, requesting the paid use of parts of the church building for the school's use in the coming school year.

After much discussion on both proposals, the Church Council voted to move forward with both proposals.

What does this mean for Monte Sano United Methodist Church?

In the case of the parsonage, the Church Council voted to take the decision to a *Charge Conference to be held on July 21 at 4:00pm*. A Charge Conference is a church-wide vote on whether or not the parsonage should be sold or retained. At a Charge Conference all members of the church in good standing will be able to vote. Charge Conferences are required for all major property changes including the building of new buildings, major renovations, or the sale of church property. Our District Superintendent, Rev. Tom Parrish, will be present for our Charge Conference, or he will give Rev. John Mullaney permission to speak on his behalf.

In the case of the Valley Leadership Academy, the Church Council voted to approve the use of the church building for the operations of the new school. No further action is required by the Church Council, and all further details will be handled by the Trustees Committee. These details include a contract with the Valley Leadership Committee and policies related to building use. The contract will include assessment of our agreement at 3, 6, and 9 months to insure compensation is both fair and adequate for building usage.

Hosting the Valley Leadership Academy will impact some areas of the church, but the hope is that these impacts will be minimal. Some groups, meetings, and other events may need to adjust their meeting times to accommodate the schools' programming, and the leadership of the school has, in turn, agreed to be flexible in the church's established programs and ministries.

Ministry Updates

Finance Committee: Summer Giving

Summer is upon us, and with it, we know many people will be traveling for vacations, weddings, and graduations. We know that giving and worship attendance are often tied together. People are simply more likely to give if they are here in worship, and, often, people don't make up missed giving opportunities when they are away. The Finance Committee humbly requests that you prayerfully consider your family's giving during the summer months, to help the church in what is often the low point in our church's giving.

How can you help?

- > Consider giving one month at a time instead of weekly.
- > Think of your giving like one of your bills and send a check for your giving when you pay your bills.
- > Most banks offer online bill pay—you can add your giving to Monte Sano UMC to your regular bills, even when you are away.
- > Make a special gift over and above your regular giving to help the church in these summer months.

Hand Chimes

A long held dream of Pat McMillion's was to have a handbell or hand chime ministry at MSUMC. That dream has become a reality thanks to Huntsville First United Methodist Church, who donated a set of hand chimes, and Becky Waters, our church organist, who has taught handbells to children in other churches she has served! A group of our children are learning and practicing this summer, with the hope for bringing the chimes to worship this Fall.

Thank You from the Mullaney Family!

Dear MSUMC Church Family,
We are so blessed to get to serve at Monte Sano United Methodist Church for another year! Thank you for the wonderful 'welcome back' reception that was held June 16. It was a great morning of food and fellowship, and we are deeply appreciative of the many kind words extended to our family. We hope that this fourth year of ministry will be our best yet, and we look forward to many more years together!

Blessings,
John, Denise, Maggie & Lucie
